

Kahootz

Founded over ten years ago, the nine-piece Kahootz is a favorite among industry professionals. Recommended by most major hotels and winner of Wedding Wire's "Couples' Choice" Award, Kahootz is primarily a high-energy dance band covering a wide range of genres from Classic Rock, to Motown with a special affinity for more current pop. The group features one female and two male lead singers plus keyboards, drums, guitar, bass and two horns: saxophone and trombone.
